My Dear Students,

The Board has issued an advance schedule of the examination to let you know that it is time to gear yourselves fully for the job that you have been preparing yourselves for 12 years. On your confident and young shoulders, rest the responsibility of proving to yourselves, your parents, your teachers and the School, that you are a man or a woman who dreams big.

So go ahead with confidence, with a clear daily timetable of study with a little relaxation, completely out of the phone, Instagram, etc. so that you can proudly tell yourselves that you are a winner. All of us walk with you to, so support, encourage and pray for you.
